- 2. NEW COMMITTEE MEMBERS** – If you are interested in joining the committee please email us at the above email address.
- 3. WORK PARTIES** – These will commence as and when government regulations on covid are more relaxed. See notice board in the Green Shed for details nearer the time.
- 4. PETTY THEFTS** – Sadly, a number of thefts have been reported to the committee so please check your sheds and polytunnels. Please also ensure that you do not leave valuables in or around your plot.

HEDGE CUTTING

Generally speaking, it is recommended that hedges are left alone between March and September. If you need to trim the hedge then cutting it in late winter is the best time.

Shop Opening Times!

As a result of Covid restrictions, FFAA has had difficulty in maintaining our normal opening policy. If you require anything, please contact a committee member or email FFAA and we will arrange for the shop to open.

RUBBISH DISPOSAL

Please do not leave rubbish at the green shed. All rubbish should be disposed of responsibly. Any wood can be left tidily on Plot 1, bio-degradable green waste can be deposited on the green dump area.
